

the meeting of the Hug:

EPSalmon = EPS with salmon.

Science and fun (not for the salmon)

The program:

1. Wine, tea and/or fruit.
2. Presentation of clinical cases:
 - VF after knife wound to the chest
 - Syncope after pacemaker implantation.
 - To DFT or Not To DFT.....
 - A tough crtd implantation.
3. More wine.
4. Discussion of "burning issues" (the hitnatkut of pacemaker clinics).
5. More wine..... [excellent salmon](#).

The time: Tuesday, March 18, at 1830 (if you are only coming for the salmon come at 2100).

The place: Vital Hotel. Weizman 14. The tall building immediately next to Ichilov.

parking: Free parking inside of Ichilov (like last time: you drive into Ichilov and drive immediately to the right to the "hanion hanhalah"). [You will have to show this invitation to get into the parking.](#)

To get to the meeting: Park the car in Ichilov, cross over the floor (3rd floor) to the Hotel and get to the 12-floor. ***Look for the salmon.***

We really need to know [in advance](#) who is coming... after all, we are talking salmon!
