

Advances in Cardiac Imaging

Lowering Patient Radiation Exposure

A Meeting of the Israeli Working Group on Nuclear Cardiology & Cardiac CT

19/10/2012

Agenda

09:00 – 09:30 Welcome Reception

09:30 – 10:20 Dr. Tali Sharir

Fast Myocardial perfusion SPECT: High Resolution Imaging with Reduced Radiation Exposure.

10:20 – 11:10 Dr. Ariel Gutstein

State of the art cardiac CT with very low radiation dose - How low can you get?

11:10 – 11:50 Coffee Break

11:50 – 12:40 Dr. Nili Zafrir

Myocardial Perfusion Imaging with Half the Radiation Dose: Clinical Applications and Recommendations.

12:40 – 13:30 Questions & Answers

Location: Neopharm Building, 6 Hashiloach St. Kiryat Matalon, Petach Tikva
