The 20th Cardiology Today Conference 2005 is accredited for 11 hours of CME Credits. Each participant should claim only those hours of credit that have actually been spent in the educational activity.

Dear Friends, Colleagues and Members of the Cyprus Society of Cardiology,

It is with great pleasure that we communicate with you to inform you about the 20th Cardiology Today Conference 2005 which will be held at the Hawaii Grand Hotel & Resort in Limassol, on **Saturday 26 and Sunday 27 of November 2005**.

As always, our ambition is to provide attendees with the best of science and education on the focus areas selected for each year. At the 20th Cardiology Today Conference 2005 we will emphasize in three main areas relative to cardiology and time has also been allocated for various subjects which are of interest:

- **Cardiac Arrhythmias**
- **Heart Failure**
- **Imaging**
- **Various Subjects**

We are proud that the subjects will be covered by renowned scientists in each of their fields, who are ready to disseminate their knowledge and share their experiences with the conference attendees. The Scientific Programme has been accredited for 11 hours of CME Credits.

Further to the scientific programme, there will also be an industry exhibition which will enable the attendees be updated on the latest developments and trends in available products and services in the field of cardiology.

For further information and registration to the Conference you can contact the secretariat of the Cyprus Society of Cardiology. Details are available in this programme.

On behalf of the Cyprus Society of Cardiology, we look forward to welcoming you at the Conference end of November.

Δρ Κώστας Ζαμπάρτας
