

The 4th Heart Valve Summit of the Israel Heart Society

in Collaboration with the Israel Society of Cardiothoracic Surgery
November 18, 2015, Dan Hotel, Tel Aviv

The 4th Heart Valve Summit of the Israel Heart Society
in Collaboration with the Israel Society of Cardiothoracic Surgery
November 18, 2015, Dan Tel Aviv

Agenda

Organizing Committee:

Amit Segev, Ronen Durst, Dan Gilon, Ronen Beeri, Ehud Raanani, Gil Bolotin

08:00-08:45 **Registration**

08:45-09:00 **Greetings:** Michael Glikson, President, Israel Heart Society

Gil Bolotin, Chair, Israel Society of Cardiothoracic Surgery

Session 1: General concepts in valvular heart diseases

Chairs: **Alik Sagie, Chaim Lotan, Oz Shapira**

09:00-09:15 **Advances in genetics of valve diseases: implications on pathophysiology understanding**
Ronen Durst, Jerusalem, Israel

Debate: Asymptomatic severe mitral regurgitation

09:15-09:35 **Watchful waiting is the best approach**

Raphael Rosenhek, Vienna, Austria

09:35-09:55 **Early mitral valve surgery is the preferred**

Maurice Sarano, Mayo Clinic, Rochester, MN, USA

09:55-10:10 **Annuloplasty versus MVR in patients with severe ischemic MR undergoing bypass surgery**
Oz Shapira, Jerusalem, Israel

10:10-10:25 **Mechanical vs. biological valve in young patients undergoing valvular surgery**

Gil Bolotin, Haifa, Israel

10:24-10:40 Discussion

10:40-11:00 **Coffee Break**

Session 2: The Aortic valve

Chairs: **Ehud Raanani, Ronen Beeri, Yaron Almagor**

11:00-11:15 **TAVI for failed aortic and mitral bioprostheses**

Ran Kornowski, Petach-Tikva, Israel

11:15-11:30 **TAVI for bicuspid aortic valve**

Jean-Claude Laborde, London, UK (sponsored by Boston Scientific)

The 4th Heart Valve Summit of the Israel Heart Society

in Collaboration with the Israel Society of Cardiothoracic Surgery
November 18, 2015, Dan Hotel, Tel Aviv

- 11:30-11:45 Latest clinical update from the self-expandable CoreValve program
Thomas Modine, Lille, France (Sponsored by Medtronic)
- 11:45-12:00 **TAVI health economics**
Pascal Candolfi, Geneva, Switzerland (Sponsored by Edwards)
- 12:00-12:15 **TAVI: The minimalistic approach**
Ariel Finkelstein, Tel Aviv, Israel

Session 3: The atrio-ventricular valves

Chairs: **Jacob George, Dan Gilon, Gideon Sahar**

- 12:00-12:15 **Mitral valve repair; current approaches**
Ehud Raanani, Tel Hashomer, Israel
- 12:15-12:30 **25,000 MitraClip patients world-wide – past and future perspectives**
Magnus Settergren, Karolinska Hospital, Stockholm, Sweden (sponsored by Abbott)
- 12:30-12:45 **MitraClip – the surgeon perspective**
Michele De Bonis, Milan, Italy
- 12:45-13:00 **TR management in 2015: What are the challenges?**
Maurice Sarano, Mayo Clinic, Rochester, MN, USA
- 13:00-13:15 **Percutaneous future solutions for the mitral and tricuspid valves**
Amit Segev, Tel Hashomer, Israel
- 13:15-13:30 **Discussion**
- 13:30 Lunch
