We are pleased to announce the 3<sup>rd</sup> Cardio Update Europe, taking place 29 June–1 July, 2017 in Prague!

In 2016, we had a sold-out crowd, who gave the congress a grade of EXCELLENT! Now, we will again strive to provide delegates with a relevant, interesting and compact program – a complete overview of recent international developments across the full spectrum of cardiology.

You will receive 14 sessions featuring global experts, many discussion opportunities with speakers, unbiased Take-Home Messages for you to implement directly into your daily work, and an extensive print compendium to take home.

Submit an ePoster and save on the registration fee! Share current research projects in our Digital Lounge! Join colleagues for Interactive Case Discussions! Or go head-to-head with our speakers in the Speaker's Corner.

Interact, engage and get updated!

We are looking forward to welcoming you to Prague – the perfect host for our third go-round!

Sincerely
