

FIRST ANNOUNCEMENT

ECAS

2012

Munich - Germany

8th Annual Congress
of the
European Cardiac
Arrhythmia Society

April 20-22, 2012

Congress Chairman
Stefan Kääb, MD

HOTEL
BAYERISCHER HOF
Promenadeplatz 2-6
D-80333 Munchen

Invitation

This is an invitation to join us at
the Eighth Annual Scientific Congress of

the European Cardiac Arrhythmia Society "ECAS" to be held in Munich, Germany April 20th to 22nd, 2012 at the prestigious Bayerischer Hof Hotel. All those who attended previous editions of ECAS Congress know that it is a highly scientific and educational event in a cheerful atmosphere which facilitates the interaction between the renowned Faculty and colleagues in the field. This edition promises to be particularly successful and we will be delighted to welcome you in Munich next Spring.

Stefan Kaab, MD **Ellen Hoffmann, MD** **Riccardo Cappato, MD**
Congress Chairman Scientific Program Chair President of ECAS

Organizing Committee of ECAS 2012

Gerhard Steinbeck, Riccardo Cappato, Stefan Käab, Michael Nabauer, Samuel Lévy

Program Committee

Andrey Ardashev, Alawi Alsheikh Ali, David Cannom, Riccardo Cappato, Hu Dayi, Roberto de Ponti, Heidi Estner, Mark Estes III, John Fisher, Robert Hatala, Richard Hauer, Ellen Hoffmann, Charles Jazra, Stefan Kaab, Jean-François Leclercq, Jean-Yves Le Heuzey, Samuel Lévy, Thorsten Lewalter, Shaowen Liu, Michael Nabauer, Mohan Nair, Yugi Nakazato, Andrea Natale, Eli Ovsyshcher, Douglas L. Packer, Luigi Padeletti, Nicholas S. Peters, Dubravko Petrac, Antonio Raviele, Amiran Revishvilli, Edward Rowland, Frederic Sacher, Sanjeev Saxena, Gerhard Steinbeck, Massimo Santini, Neil Sulke, Reza Wakili, Hein Wellens, Bruce Wilkoff.

Program Structure

Plenary Sessions and Symposia will cover the various hot topics of modern arrhythmology and will be addressed by internationally known speakers. Two major topics will be highlighted this year Arrhythmias from mechanisms to management and Implantable device therapy: Current and future role.

Workshops: Workshops on practical aspects of clinical arrhythmology seven of which were particularly successful in previous years will be part of the 2012 program:

- Update on catheter ablation of atrial fibrillation
- Interpretation of intracardiac recordings
- Cardiac Resynchronization Therapy (CRT)
- CRT and Pacemaker ECG interpretation
- Techniques and tools for AF ablation
- Recent developments in anticoagulation for stroke prevention

Abstracts for oral or poster presentation

Abstracts on all cardiac arrhythmia are welcomed and will be presented during simultaneous oral sessions entirely devoted to the most recent research and will not compete with plenary lectures or workshops. The accepted poster presentations will be chaired and the presenting author will highlight their work to the chairpersons.

Abstracts

Submit online your work for oral abstract sessions or for poster presentation using our congress website

<http://www.ecas-congress.org>

Starting October 1st 2011

Deadline for abstract submission: December 5th 2011

The abstracts selected for oral or poster presentation will be published in a supplement issue of the Journal of Interventional Cardiac Electrophysiology (JICE), the official journal of ECAS.

Congress venue

BAYERISCHER HOF Hotel

Promenadeplatz 2-6
D-80333 Munchen

www.bayerischerhof.de

Accommodation

A block of rooms at a special group rate in Hotel Bayerischer Hof where the Congress is taking place and some other hotels has been booked for the participants of the ECAS Congress. Reservation will be made on a first come first serve basis using the hotel reservation website connected to ECAS website www.ecas-congress.org (see instructions). We kindly advise our participants to make reservation as soon as possible as Munich is a busy and highly appreciated destination in springtime. If needed, the secretariat of the congress will provide you with more information and help.
