International Summit on Personalized Health

The International Summit on Personalized Health: *Thinking Global Treating Personal*

Tel-Aviv, Israel
March 15, 2012
www.ppphs.org

Dear Cardiology Society member,

It is our privilege to invite you as one of our distinguished guests to the **International Summit on Personalized Health: *Thinking Global – Treating Personal***, to be held on March 15, 2012 at the Dan Tel Aviv Hotel.

The field of *Personalized Health* is experiencing vast expansion in basic and clinical research and translation to health applications. **The International Summit on Personalized Health** will function as a comprehensive forum where international and Israeli experts will share their knowledge. This innovative Summit is unique in its explicit focus on resolving controversies related to physicians and care givers in all medical fields and their patients.

The Summit will host a distinguished Faculty including some of the most prominent experts in these fields. Featured speakers will include Professors. Leroy Hood, David Holmes, Elizabeth Nabel, Thomas F. Lüscher, Gary Nabel, Allen Roses, Roni Gamzu, Haim Bitterman, among others.

To view the Summit Program please visit our website at: www.ppphs.org

The Summit will commemorate the memory of Mr. Bruce Rappaport. His prescient vision some thirty years ago, led to the establishment of the health science Research Institute in Haifa, which bears his name, and has borne fruit with numerous important research discoveries

The Summit will be organized and sponsored under the auspices of The Mayo Clinic, in collaboration with Rambam Health Care Campus and the Rappaport Research Institute and Faculty of Medicine at the Technion – Israel Institute of Technology in Haifa,

Please join us at this exciting event. Your participation is of great importance to us.

As seating is limited, we would appreciate if you could please RSVP to the P4H email: p4h@comtecmed.com by February 1ST, 2012.

**Sincerely,
The Scientific Committee**
