ISRAEL HEART SOCIETY

The 5th Heart Valve Summit of the Israel Heart Society In Collaboration with Israel Society of Cardio-Thoracic Surgery Dan Panorama, Tel Aviv. Jan 11, 2017

**Steering Committee: Ronen Beeri, Gil Bolotin, Ronen Durst, Dan Gilon, Ehud Raanani,
Alik Sagie, Amit Segev, Yan Topilsky**

- 08:00-08:45 **Registration**
08:45-09:00 **Welcome**
Michael Glikson – President, IHS
Amit Segev – Meeting Chair

Session I: Prosthetic Heart Valves

Chairs: **Oz Shapira, Chaim Lotan**

- 09:00-09:15 **Multimodality imaging of prosthetic heart valve**
Yaron Shapira, Rabin
09:15-09:30 **Natural history and pathophysiology of prosthetic heart valves**
Leonid Sternik, Sheba
09:30-09:45 **TAVI valve in valve: A shifting paradigm in treating failed bioprosthetic valves**
Ran Kornowski, Rabin
09:45-10:00 **Paravalvular leak – assessment and treatment**
Arthur Kerner, Rambam

Session II: Latest clinical update and innovations in valvular therapies

Chairs: **Victor Guetta, Ronen Beeri**

- 10:00-10:15 **latest clinical data on TAVI**
Amit Segev, Sheba
10:15-10:30 **Mitral clip in extreme situations**
Rafael Wolf, Shaarei-Tzedek
10:30-10:45 **Integrated imaging to assist advanced structural interventions**
Paul Fefer, Sheba
10:45-11:00 **Coronary artery disease in patients undergoing TAVI**
Ariel Finkelstein, Tel Aviv
11:00-11:30 **Coffee break**

Session III: The tricuspid valve and the right ventricle

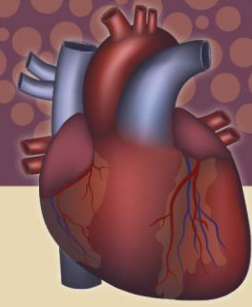

Chairs: **Alik Sagie, Erez Sharoni**

- 11:30-11:50 **Tricuspid valve surgery – valve repair or replacement, annuloplasty or complex repair?**
Ehud Raanani, Sheba
11:50-12:05 **Isolated tricuspid regurgitation – is it a common clinical issue?**
Yan Topilsky, Tel Aviv
12:05-12:20 **Novel trans-catheter solutions for tricuspid valve repair**
Gideon Perlman, Hadassah
