

The 5th Heart Valve Summit of the Israel Heart Society

in Collaboration with the Israel Society of Cardiothoracic Surgery

January 11, 2017, Dan Panorama Hotel, Tel Aviv

The 5th Heart Valve Summit of the Israel Heart Society In Collaboration with Israel Society of Cardio-Thoracic Surgery Dan Panorama, Tel Aviv. Jan 11, 2017

Steering Committee: Ronen Beeri, Gil Bolotin, Ronen Durst, Dan Gilon, Ehud Raanani, Alik Sagie, Amit Segev

- 08:00-08:45 **Registration**
08:45-09:00 **Welcome**
Michael Glikson – President, IHS
Amit Segev

Session I: Prosthetic Heart Valves

Chairs: **Oz Shapira, Chaim Lotan**

- 09:00-09:15 **Multimodality imaging of prosthetic heart valve**
Yaron Shapira, Israel
09:15-09:30 **Natural history and pathophysiology of prosthetic heart valves**
Leonid Sternik, Israel
09:30-09:45 **Latest update from aortic, mitral, and tricuspid Valve-in-Valve registry**
Ran Kornowski, Israel
09:45-10:00 **Paravalvular leak – assessment and treatment**
Arthur Kerner, Israel

Session II: Latest clinical update and innovations in valvular therapies

Chairs: **Ariel Finkelstein, Ronen Beeri**

- 10:00-10:15 **latest clinical data on TAVI**
Amit Segev, Israel (sponsored by Edwards)
10:15-10:30 **Mitral clip in extreme situations**
Rafi Wolf, Israel (sponsored by Abbott)
10:30-10:45 **Integrated imaging to assist advanced structural interventions**
TBA (sponsored by Phillips)
10:45-11:00 **TBA**
Ehud Raanani, Israel (sponsored by Medtronic)
11:00-11:30 **Coffee break**

Session III: The tricuspid valve and the right ventricle

Chairs: **Alik Sagie, Erez Sharoni**

- 11:30-12:00 **Clinical decision making in secondary tricuspid regurgitation – how to assess, when and how to operate?**
Gilles Dreyfus, Canne, France
12:00-12:15 **Isolated tricuspid regurgitation – is it a common clinical issue?**
Yan Topilsky, Israel
12:15-12:30 **Novel trans-catheter solutions for tricuspid valve repair**
Gideon Perlman, Israel

The 5th Heart Valve Summit of the Israel Heart Society

in Collaboration with the Israel Society of Cardiothoracic Surgery

January 11, 2017, Dan Panorama Hotel, Tel Aviv

Session IV: Case-based decisions in valvular heart diseases (5-min presentation followed by moderated discussion)

Chairs: **Gideon Sahar, Ehud Schwammenthal**

Moderators: **Shmuel Banai, Dan Aravot**

- 12:30-12:45 **Severe mitral regurgitation in patients with severely reduced LV function**
Dan Gilon, Israel
- 12:45-13:00 **A 34y patient with severe stenosis of an aortic bioprosthesis**
Israel Barbash, Israel
- 13:00-13:15 **Severe aortic regurgitation**
Alik Sagie, Israel
- 13:15-13:30 **Organic severe mitral regurgitation in an octogenarian**
Gil Bolotin, Israel
- 13:30-13:45 **Isolated TR**
Yan Topilsky, Israel
- 13:45 **Lunch**
