

The Second Israeli Workshop on Transradial Intervention

Mamilla Hotel - Jerusalem
Thursday, September 15th, 2011
08:00 – 15:30

Call For Cases

We invite you to come and be a part of this exciting event!

Please share some of the wealth of your experience with us and present at The Second Israeli Workshop on Transradial Intervention.

Physicians are invited to submit cases for presentation in one of two categories: Challenging Cases or Complications.

Submission Guidelines:

- All presentations should be in English
- Please submit in Power Point presentation format
- Total of 6-8 slides
- First slide: cover slide
- Second slide: description of patient background
- Following slides: the case as still images
- The final slide should include a conclusion with a learning message
- Please send to: transradialcases@gmail.com
- Subject line: Cases – Complications or Cases – Challenging
- In the body of the email please provide your contact details

Submission should be completed by August 31, 2011

All cases will be reviewed by the selection committee.

Accepted submissions will be notified by September 4th, 2011.

Cases will be uploaded to the site of the Interventional Cardiology Working Group.

Presentation of selected cases will include still images and movies as desired.

A prize will be awarded for the most instructive case presented as judged by the adjudication panel.
