ISRAEL HEART SOCIETY

The 60th anniversary conference of the Israel Heart Society

The 60th anniversary conference of the Israel Heart Society will be held on April 22-23, 2013 in Jerusalem.

This conference will be a landmark of the development and activities throughout the years in the field of Cardiology in Israel; therefore we will hold a unique international conference that will include international very well known, distinguished guest lecturers who will honor us by their participation in this important event & celebration .

The formal language of the conference will be English.

We expect participants to come from around the world; they will have the opportunity to integrate both scientific and touring experiences (visiting the interesting historical sites that are hallowed to the various religions and being impressed by and enjoying the beautiful landscapes & the culture of Israel)

We will soon be distributing details .

Meanwhile please save the date: April 22-23, 2013 at ICC International Convention Center, Jerusalem.

We will be pleased to meet you and your family in April 2013 in Israel.
