Council on Epidemiology and Prevention

**ANNOUNCEMENT**

**39th Ten-Day International Teaching Seminar on Cardiovascular Disease Epidemiology and Prevention, August 13 - 25 2006, Brisbane, Australia**

The Council on Epidemiology and Prevention of the World Heart Federation announces its 39th Ten-Day International Teaching Seminar on Cardiovascular Disease Epidemiology and Prevention to be held in Brisbane, August 13 - 25 2006. Approximately 36 Fellows can be accepted. Final selection will be made by the Section's Seminar Committee. Nominees should normally be at the postgraduate level with residency training or its equivalent, and be interested in cardiovascular disease epidemiology. Except in unusual circumstances, preference will be given to younger candidates, with little or no formal training in epidemiology. Room and board are provided without cost.

**FLUENCY IN ENGLISH IS AN ABSOLUTE ESSENTIAL**

Should any accepted Fellow be unable to attend, no substitute not reviewed by the Seminar Committee may be sent as an alternate by the institution.

Applications, including (1) a letter of nomination by chief of department or institution, or other relevant sponsor (2) a personal letter of application from the nominee, and (3) the applicant's curriculum vitae, should be received before February 15, 2006 by the seminar coordinator:

Professor Kay-Tee Khaw,  
Clinical Gerontology Unit, Box 251  
University of Cambridge School of Clinical Medicine,  
Addenbrooke's Hospital,  
Cambridge CB2 2QQ,  
England.
