

Zahi Khoury MD
CURRICULUM VITAE

1. Personal Details

Birthdate: February ,14th 1959
Country of birth: Israel
Family: Married, three children
Citizenship: Israeli
ID: 55759599
Languages: Hebrew, English, Arabic
Home address: 3/1 Hizma st., POB 37110, Beit Hanina, Israel, 91370
Home phone: +972 (02) 6566618

Office address: Heiden Department of Cardiology, Bikur Cholim Hospital,
POB 492, 5 Strauss St., Jerusalem, ISRAEL 91004
Office phone: +972 (02) 6464186/124
Office fax: +972 (02) 6464391
e-mail: zahi@md2.huji.ac.il

2. Academic Education and Professional Training

1977-1984: Medical Studies: Faculty of Medicine, Hebrew University, Jerusalem ,
Israel: **MD**
MD thesis: Residual left ventricular function and prognosis of patients
with asymmetric septal hypertrophy recovering from acute myocardial
infarction

1984-1985: Rotating internship: Hadassah University Medical Center, Jerusalem
1985-1987: Residency : Department of Internal Medicine, Hadassah University
Medical Center , Jerusalem

1988-1991: Fellowship in Cardiology : Cardiology Department, Bikur Cholim
Hospital-Affiliated with Hebrew University Hadassah Medical School,
Jerusalem

3. Degrees and Certifications

- 1984: MD License N. 018019
- 1988: National Board Examination in Internal Medicine-part 1 (Scientific Council of Israel Medical Association)
- 1990: National Board Examination in Cardiology-part 1 (Scientific Council of Israel Medical Association)
- 1991: National Board Examination in Cardiology-part 2 (Scientific Council of Israel Medical Association)
- 1991: Specialist in Cardiology Licence No. 11509

4. Appointments at the Hebrew University

Since 1985: Teaching physician

5. Professional Appointments

- Since 1991: Senior Cardiologist, Cardiology Department, Bikur Cholim Hospital
Cardiology Consultant, Macabi, Leumit and Clalit Sick Funds, Jerusalem
- Since 1995: Director, Vascular Ultrasound Unit, Cardiology Department, Bikur Cholim Hospital

6. Other Professional/Academic Activities

Manuscript Reviewer:

Manuscripts reviewing for: The American Journal of Cardiology

6) Professional Organizations - Membership

1. 1985: Israel Medical Association
2. 1991: Israel Heart Society
3. 1998: Working Group on Echocardiography and invasive cardiology of the Israel Heart Society

4. 1991: Jerusalem Heart Association
5. 1994: The American Society of Echocardiography
6. 1998: Working Group on Echocardiography of the European Society of Cardiology
7. 1998: European Society of Cardiology

Committee Service:

2000-present Admission Committee for Medical School candidates, The Hebrew University – Hadassah Medical School, Jerusalem, Israel

7. Research Grants:

1997- 2000	PI	German-Israeli Cooperation in Biomedical Research (DISMED). Assessment of Progression and/or Regression of Aortic Atherosclerosis by Transesophageal Echocardiography. (4 Years)	DM 300,000
---------------	----	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------

8. Teaching Activities at The Hebrew University- Hadassah Medical School

I: Students MD Thesis supervision:

- 1995 Rama Argaman-Schwartz ,1995-1997: Evaluation of the Associations Between Coronary and Extracoronary Atherosclerosis (paper #11, abstract #14)
- 1996 Gil Feldman, 1996-1997 (co-supervisor Prof. Andre Keren): “Dobutamine Stress Echocardiography:A Comparison with Exercise Echocardiography for the Detection of Coronary

Artery Disease” .Thesis completed with distinction ,(abstract #7)

- 1997 Gabriel Katz,1997-2000: “Diagnosis of Proximal Right Coronary Artery Disease by Evaluation of Right Ventricular Wall Motion Abnormalities During (Physical or Pharmacological) Stress Echocardiography” (abstract#21)
- 1997 Choni Rinat1997-1998: “New Method for Measurement of Atherosclerotic Plaque Area in the Descending aorta by Transesophageal Echocardiography (paper#12 ,abstract #12)

Supervision of Advanced/Post-Doctoral Students

- 1999 Dr. Mindi Grossman, Dept. of Medicine, Bikur Cholim Hospital, JerusalemTutor: 1999-2002“Exercise Induced Right Ventricular Wall Motion Abnormalities, Diagnostic and Prognostic Value. (abstract #21, DATA Analysis)
- 2001 Dr. Ita Goldstein, Dept. of Medicine, Bikur Cholim Hopistal .2001-2003 The Prognostic Value of the Peripheral Aortic Plaques. (DATA Analysis)

Students Teaching

1985-1987 Tutor and bedside teaching of 3rd and 4th years medical students, Internal Medicine Department Hadassah Mount Scoupos Hospital.

1987-present Cardiology Course for 6th year medical students, Hadassah and Bikur Cholim Hospitals, (Frontal lectures, group discussions, bedside teaching and tutoring).

Subjects taught:

Mitral & Aortic Valve pathology , cardiac pharmacology and Echocardiography

1991-present Introduction for Clinical Medicine Course-Cardiology for 4th year medical students (Frontal lectures, group discussions)

Subjects taught:

Mitral Valve Disease, Bradyarrhythmias and cardiac pharmacology

9. **Teaching activities at other institutions**

Bikur Cholim School of Nursing:

Cardiology for Nursing Students (1994-1996)

סיכום ציוני המשוב בחמשת השנים האחרונות

שנת לימוד	ציון בקורס לקרדיולוגיה שנה ו	ציון בקורס מבוא לרפואה פנימית שנה ד
תשס"ג	17.96	15.37
תשסב	18.5	14.93
